

# All About Me!

When our new Reception children start school in September we would like them to bring something special to share with us. We would like your child/ren to spend some time during the summer holiday creating their very own Treasure Box. This will help us to get to know them and it will allow the children to share things that are special to them.

## What is a treasure box?

Start with a shoe box (decorate the box if you wish) then find 'special' items to go into the box. We like to spend time talking about the boxes so please include only the following items:

- A photograph/drawing of them taking part in a family activity
- A favourite toy
- A favourite book
- A wrapper/bag/label from their favourite food
- Let us know about your favourite nursery rhyme.

Please do not include more than this, as we need to allow time for all children to share their boxes. Please bring the treasure boxes to school on the first day of the Autumn Term. (Please try to name as many items as possible)
