## Reading Home Learning Grid Year 2

Please complete as many as you can whilst you are home learning. These have been designed to be practical and open ended for you to have fun completing.

Look through your books for any punctuation marks and talk about what they mean.	Act out a story with your family – you could make a play!	Ask an adult to ask you some questions about what you have read.	Read a book and see if you can find an animated version to spot the differences.	Look through your book for exciting vocabulary and make a list of meanings.
Read a story aloud to a family member using expressions.	Write a book review of the different stories you read.	Draw a story mountain and retell the story into the 5 main parts.	Read a range of books by the same author to spot any similarities.	Choose a character from a story and write a diary page after a big event from the book.
Write some questions that you could ask about what you are reading.	Read for at least 15 minutes every day.	Practise reading the Year 2 word lists.	Read the blurb from a book and make a prediction before reading it.	Record yourself reading a book and listen back to hear if you are using expression.
