Purpose of the Policy

This policy provides a framework and guidance for staff and parents to encourage pupils to attend school regularly so that they can take full advantage of the educational opportunities available.

1. Aims

Good attendance means that children usually make good, consistent progress in their school work. St Nicholas and St Laurence C of E Primary School expects at least good attendance from its pupils, in order for them to make the most of the opportunities that the school has to offer. We rely on our partnership with parents to ensure that this is achieved

Our school aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every pupil has access to full-time education to which they are entitled
- Acting early to address patterns of absence
- We will also support parents to perform their legal duty to ensure their children of compulsory school age attend regularly, and will promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)

- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

Relationship to other Policies

The policy on attendance should be read in conjunction with the policies on Admissions, PSHE and school session times and current guidance produced by the school for staff on the registration of pupils.

This policy also refers to the DfE's guidance on the [school census](#), which explains the persistent absence threshold.

3. School procedures

3.1 Attendance register

By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all pupils must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Our School Day

Our school day starts at 8.30 am. Registers are marked shortly after this. Pupils who are not present for registration will be marked as absent initially. If they arrive before 8.45am, this will be changed to present but late.

3.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by 8.45 or as soon as practically possible (see also section 6). Parents should phone the school to speak to the office staff or leave a message on the answering machine.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences. A copy of the appointment letter should be shared with staff. However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

3.4 Lateness and punctuality

A pupil who arrives late but before the register has closed will be marked as late, using the appropriate code. A pupil who arrives after the register has closed will be marked as absent, using the appropriate code. Persistent lateness will be closely monitored.

3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

3.6 Reporting to parents

Parents will be informed annually on their child's attendance record in the written end-of-year report. However, they will also be notified sooner if attendance is a cause for concern.

4. Authorised and unauthorised absence

4.1 Granting approval for term-time absence

Headteachers may not grant any leave of absence to pupils during term time unless they consider there to be 'exceptional circumstances'.

Exceptional circumstances may include:

- When a family needs to spend time together because of an immediate family member's bereavement, crisis or serious illness
- Funeral of immediate family member
- Religious observance
- Children of service personnel about to go on deployment (permission would be considered as long as the request is accompanied by a letter from the Commanding Officer)

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the headteacher's discretion.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the pupil is attending educational provision

Unauthorised absence is:

- Truancy
- ☒ Staying at home to look after younger children or sick relatives
- ☒ Going shopping or having hair cut
- ☒ Any absence which the school has not been informed about, either by letter or telephone
- ☒ Any family holiday.

Holiday absence

The law states that parents do not have the right to take their child out of school for holidays during term time. A child's attendance at school is of paramount importance if he/she is to maximise the opportunities provided. Research suggests that children who are taken out of school may never catch up on the work they have missed. This could be particularly harmful if the child is working towards end of year assessments or in receipt of additional support. Therefore extended absences from school, including holidays, will compromise learning and obviously, the longer the absence the more learning opportunities are missed.

4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the headteacher, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

5. Strategies for promoting attendance

Our children are praised for excellent attendance; we give certificates at the end of each half term and at the end of each term. At the end of a school year, prizes are given to pupils with 100% attendance

6. Attendance monitoring

The attendance officer monitors pupil absence on a daily basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2). They should phone at the start of each day thereafter to confirm the illness is ongoing.

The persistent absence threshold is 10%. If a pupil's individual overall absence rate is greater than or equal to 10%, the pupil will be classified as a persistent absentee.

Pupil-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

School will also use the data relating to attendance to monitor progress of individuals and significant groups to ensure absence does not fall below 10%. This monitoring may identify individual and families who require further support.

7. Roles and responsibilities

7.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the headteacher to account for the implementation of this policy. The Governing Body will ensure that the LA is informed about long-term absence of any pupils..

7.2 The headteacher

The headteacher is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The headteacher also supports other staff in monitoring the attendance of individual pupils and issues fixed-penalty notices, where necessary.

7.3 The attendance officer

The attendance officer:

- Monitors attendance data at the school and individual pupil level
- Reports concerns about attendance to the headteacher
- Works with education welfare officers to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the headteacher when to issue fixed-penalty notices

7.4 Class teachers

Class teachers are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

7.5 Office staff

Office staff are expected to take calls from parents about absence and record it on the school system.

8. Monitoring arrangements

This policy will be reviewed annually by the Head teacher and SLT. At every review, the policy will be shared with the governing board.

9. Links with other policies

This policy is linked to our child protection and safeguarding policy
