Ways you can help your child this term:

- Spending time daily to read with your child is essential. This doesn't have to be a school book! If you read anything with your child that they particularly enjoy then write it in their reading journal so they can share it with the class. Ask lots of questions when reading with them to help with their comprehension.
- TT Rockstars (Yr2 only) and Lexia are so beneficial to your child's learning. 15 minutes a day on either of these would be fantastic. If you need their login then please let us know.
